

## VOLUME 1, NO. 1 Winter 1984

**Sorry, no PDF  
available**

### Bat Program Available

Joint production of the slide/cassette tape program "Saving America's Bats," with the U.S. Fish & Wildlife Service has enabled BCI to make this beautiful program available at an unusually low cost. The program includes 49 top quality slides by Dr. Merlin Tuttle, accompanied by a 19 minute cassette tape (auto-sync slide advance on side 1 and sound beeped manual control on side 2). All proceeds support bat conservation. Order: Bat Conservation International, c/o Milwaukee Public Museum, Milwaukee, WI 53233. Price: \$35 to BCI members, \$55 to non-members.
