available

WISH LIST

From time to time, BCI's rapid growth creates the need for equipment and other items to help us function more efficiently. Members may be able to help us meet some of these needs.

For more information, or to make a contribution, please call Linda Rogers at BCI, 512/327-9721.

Education Kit to India

Materials for an environmental education center that focuses on teaching youth about the importance of conservation and protection of wildlife. The center has recently begun a campaign to protect fruit bats. Kit would include audiovisual materials and books (\$100 kit and shipping costs).

Thanks to Marg Parsons, Juneau, Alaska, for her contribution of one month's care for BCI's flying foxes, Zuri and Abby, and to Jean Henry, Carlsbad, NM, for her donation toward their care.
