Celebrate BCI's 10th Anniversary Through a Gift for Life and Legacy

A will is much more than a means of providing for those we love. It is also an expression of our highest ideals, a true "testament" to our convictions and our hopes for the future.

Through a bequest to Bat Conservation International, you can make a personal investment in our mission to save endangered bats and their habitats. There's no better time to make such a commitment than during BCI's 10th Anniversary. Your gift would mean so much to the future of bats and the ecosystems that rely on them.
