Building the Future for BCI

Help build a solid foundation for bat conservation by giving to BCI's Building Fund...

### **Help build a solid foundation for bat conservation by giving to BCI's Building Fund...**

To prepare for growth into the next century, BCI has started an ambitious campaign to purchase the office building it currently leases. Owning our headquarters will provide BCI with a secure future and afford it room for expansion. With your help, we will avoid wasting valuable member contributions on interest payments.

Persons giving more than \$100 will receive a special gift in appreciation. To find out more about how you can help, call Andrew Smith at 512/327-9721, or write:

Building Fund  
Bat Conservation International  
P.O. Box 162603  
Austin, TX 78716-2603

All contributions are tax-deductible to the extent allowed by law.
