Annual Report Available

Each year BCI publishes an annual report highlighting our accomplishments during the previous fiscal year and providing a balance sheet of revenues and expenditures. We thank all of our members for your help in our achievements this past year (fiscal year June 1, 1997 to May 31, 1998).

BCI's Annual Report may be obtained by contacting Andy Moore at BCI, P.O. Box 162603, Austin, Texas, 78716, (512) 327-9721, ext. 28. Complete audited financials are also available upon request.

The chart below shows another measure of our success that we wish to share with members. As BCI has continued to increase the funds devoted to education and conservation--by more than 500 percent in 10 years--we have kept our administrative and fund raising costs nearly constant.
